Hear2Lead 2021

The Young Adults Network (YAN) is seeking your continued support to further its mission and vision of supporting young adults with hearing loss across the country.

We're a non-profit network of young adults aged 18-35 with varying degrees of hearing levels that strives to educate communities about hearing loss and support young adults through sharing resources and promoting community connections.

Following the success of Summercamp 2021 this past August, we are eager to continue bringing accessible workshops and social events to our members. The 2021 Summercamp highlighted the need to be a fierce advocate and promote access for every Hard of Hearing individual in a hearing world.

With your contribution to the Hear2Lead 2021 campaign, you are making an impact in supporting our Network through activities and events specifically for young adults. We are extremely appreciative of your contribution, no matter how small it may seem – every bit helps!
